

| <u>Year Group: 1</u>                                                                                                                                                                                                                                                                                                                                         |                                                                               | <u>Topic: A Toy Story</u>                                                                                                                                                                                                                                                      | <u>Term: Summer 1</u>                                                                                                                                                                                                               | <u>Main Focus: D&amp;T- joining materials- hand puppets</u> |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|
| <b><u>Rationale For Topic-</u></b> Our D&T link will be focused on joining materials. We will experiment with different joining techniques and investigate existing products before designing, making and evaluating our own hand puppets. To give this product a clear purpose, the children will be making them to share with our Nursery class in school. |                                                                               |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                     |                                                             |
| <u>Lesson Number</u>                                                                                                                                                                                                                                                                                                                                         | <u>Learning Objective (s):</u>                                                | <u>Success Criteria:</u>                                                                                                                                                                                                                                                       | <u>Brief outline / reasoning for sequence</u>                                                                                                                                                                                       |                                                             |
| 1                                                                                                                                                                                                                                                                                                                                                            | LO: To explore and evaluate hand and finger puppets.                          | <ul style="list-style-type: none"> <li>- I research what puppets look like.</li> <li>- I can suggest suitable materials that are used to make hand and finger puppets.</li> <li>- I can explore and suggest ways that the materials used have been joined together.</li> </ul> | To start the project the children will spend some time using the ipads to research puppets. They will look at what materials are used and why.                                                                                      |                                                             |
| 2                                                                                                                                                                                                                                                                                                                                                            | LO: To investigate fabrics which are best for the purpose of making a puppet. | <ul style="list-style-type: none"> <li>- I can investigate different fabrics.</li> <li>- I can explore strength and ease of joining different fabrics together.</li> <li>- I will experiment and test different materials for their suitability to make a puppet.</li> </ul>   | The children will explore a range of materials- how easy are they to cut/ join? How strong are they? How can you add a design to the material? Children will explore and evaluate a range of materials- cotton, felt, netting, etc. |                                                             |
| 3                                                                                                                                                                                                                                                                                                                                                            | LO: To experiment using a template to cut and join materials.                 | <ul style="list-style-type: none"> <li>- I can suggest different ways of joining two pieces of material.</li> </ul>                                                                                                                                                            | The children will use this lesson to evaluate joining materials.                                                                                                                                                                    |                                                             |

|   |                                    |                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                        |
|---|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|   |                                    | <ul style="list-style-type: none"> <li>- I can test different joining methods (e.g. glue, sewing, stapling).</li> <li>- I can identify the best method for joining material together.</li> </ul>                       | <p>Joining fabric</p>  <p>Children will test out the above methods to join two pieces of material- which is the easiest? Strongest? Most appealing? Which would be the most suitable? Why?</p>      |
| 4 | LO: To design a hand puppet.       | <ul style="list-style-type: none"> <li>- I can design a hand puppet.</li> <li>- I can plan which materials I will need to use.</li> <li>- I can plan how to join my material to create my final design.</li> </ul>     | They will look at the design brief and design their own hand puppet - they will be asked to label their drawings, identifying the different materials they will need for their puppets and identifying the places to join materials and their selected joining technique.              |
| 5 | LO: To make my hand puppet design. | <ul style="list-style-type: none"> <li>- I can use my design to support me.</li> <li>- I can use materials and tools safely and effectively.</li> <li>- I can talk about what I am doing.</li> </ul>                   | This lesson the children will make their hand puppets - they will use a range of materials and resources to do this e.g. glue, scissors, glitter, fabric, sequins, staples, safety pins, sewing tools, etc. They will have their designs on the table when doing this to support them. |
| 6 | LO: To evaluate my hand puppet.    | <ul style="list-style-type: none"> <li>- I can talk about the resources and materials I used.</li> <li>- I can identify things I liked my puppet.</li> <li>- I can think of improvements for my own puppet.</li> </ul> | Children should be more confident at their evaluation skills at this point in the year. They will be encouraged to look at each other's puppets, sharing what they liked about them. They will then think of improvements they could make to their own puppets.                        |
