

<u>Year Group:</u> 1	<u>Topic: How transport has changed in our local area</u>	<u>Term: Summer 1</u>	<u>Main Focus: History</u>
<u>Rationale For Topic</u> This topic has been chosen to help Year 1 pupils develop an understanding of how life in their local area has changed over time through the lens of transport. Transport is a familiar and meaningful aspect of children's everyday lives, making it an accessible and engaging starting point for learning about the past. By exploring how people in Bloxwich travelled in the past compared to today, pupils begin to understand the concept of change over time, which is a key focus of the Key Stage 1 history curriculum. The topic supports children in making connections between their own experiences and those of people who lived in their community in earlier times. Using local examples such as roads, buses, trains, and canals helps pupils to see history as something real and relevant rather than distant or abstract. 			
<u>Lesson Number</u>	<u>Learning Objective (s):</u>	<u>Success Criteria:</u>	<u>Brief outline / reasoning for sequence</u>
1	LO: To understand what transport is and that transport has changed over time.	- I can say what transport means - I can name different types of transport	This lesson will introduce the idea of transport and the past. The children will explore a range of photographs and videos that show transport from the past and transport from the present day. During the lesson the children will work together to create a 'then and now' transport

		I can say one way transport has changed	chart. They will also discuss their own experiences of different modes of transport. Key Vocabulary: transport, past, present, then, now, old, new
2	LO: To find out how cars and roads in Bloxwich have changed.	- I can describe an old car - I can describe a modern car - I can say one difference between them	This lesson will focus on 'cars and roads' in Bloxwich. The children find out how cars and roads in Bloxwich have changed over time. During the lesson the children will explore photos of old streets in Bloxwich/Walsall vs today. They will then write about the differences and similarities. Key Vocabulary: car, road, street, different, same
3	LO: To learn how buses and public transport have changed in Bloxwich.	- I can talk about buses in the past - I can talk about buses today - I can say why buses are important	This lesson will look at buses and public transport in Bloxwich. During the lesson, the children will compare photos of old and modern buses. We will also discuss the importance of buses and why people use them. We will also discuss how catching a bus links to environmental impact and sustainability benefits. Key Vocabulary: bus, passengers, journey, public transport
4	LO: To explore how trains and railways have changed in Bloxwich.	- I can say what trains were like in the past - I can say what trains are like today	This lesson will focus on trains and the railway in Bloxwich. We will talk about Bloxwich North and Bloxwich railway stations and encourage the children to share their own personal experiences of traveling on a train. During the lesson, the children will compare old steam trains and modern trains. They will also look at pictures of Bloxwich station (past and present).

		• I can explain why trains are useful	They will then build a simple train model using blocks. Key Vocabulary: train, railway, station, steam, electric
5	LO: To find out how people travelled in the past before modern transport.	• I can name a way people travelled in the past • I can explain why travel was slower • I can compare past travel with today	In this lesson, we will explore how people travelled before cars. We will make local links, e.g. canals and horse drawn transport in the Walsall area. The children will look at pictures of canals and horse-drawn carts, discuss how people travelled to work or shops. They will then create a simple timeline of transport over time. Key Vocabulary: horse, cart, canal, boat, timeline
6.	LO: To compare transport in the past and present in Bloxwich	• I can say two ways transport has changed • I can say what I like about modern transport • I can share what I have learned about transport in Bloxwich	The children will reflect on the last few weeks' lesson and will use their historical thinking to summarise their findings. They will recap how transport has changed and will then orally talk about their key findings. They will then draw a "Bloxwich: past vs present transport" poster to show what they've learnt.
