

<u>Year Group: 2</u>		<u>Topic: Seaside</u>	<u>Term: Summer 2</u>	<u>Main Focus: Art/drawing</u>
<u>Rationale For Topic-</u> The children will use this half term to learn about different drawing techniques. They will explore different types of pencil, use charcoal and pastels, learn about tone and texture and then practice their sketching skills.				
<u>Lesson Number</u>	<u>Learning Objective (s):</u>	<u>Success Criteria:</u>	<u>Brief outline / reasoning for sequence</u>	
1	LO: To complete an artist study of Hokusai.	- I can use the internet safely - I can find information about Hokusai - I can find information about his masterpieces.	Children, first of all, in the sequence need to start developing their understanding of who Hokusai is and his famous artwork. The children use the internet to find information about Hokusai. Looking at key areas of interest such as where he is from and his inspirations.	
2	LO: To draw using coloured pencils	- I can use pencils effectively - I will use bright colours - I will create a pencil drawing	The children will now use coloured pencils and explore the marks they can make using these. They will learn to shade and attempt to blend to create an artistic effect. They will create a pencil drawing of different patterns.	
3	LO: To draw using graphite and pencil	- I can use charcoal effectively - I will smudge and shade the charcoal for effect - I will create a graphite scene	The children will experiment in this lesson using charcoal. They will have squares in which to create different charcoal designs using smudging, shading and using the sharp end of the charcoal to outline.	
4	LO: To draw using pastels	- I can use pastels effectively - I will use bright colours - I will create a pastel drawing	The children will now use pastels in the same way that they learnt in the previous lesson with pencils. They will learn to shade and smudge to create artistic effect. They will create a pastel drawing of different patterns.	

5	LO: To create my final piece	- I can use tones to develop detail - I can use observations to draw the wave by Hokusai.	This is where the children will present their skills that they have been practising. The children will split their page into 4 and use the 4 different mediums to continue the wave. (See portfolio for examples)
6	LO: To evaluate my final piece	- I can explore changes - I can discuss where improvements could be made	The children need to develop their skills on evaluating their work. The need to see where they could make tweaks and then act upon them. Can they take peer assessment too and explain their own choice of colour and tone.
