Year 1 Visit The Birmingham Back to Back Houses!

Last week, the Year 1 children had a truly magical visit to the Back to Back Houses in Birmingham! The children have been learning all about the past in History this half term and this visit really brought their learning to life.

The children were given a hands-on experience of how families lived in the past. They explored a range of different houses, worked as a team to make a real fire, made their very own toy and even got to take a lie down in the feather beds (4 to a bed back then!).

We had a wonderful day and would also like to take this opportunity to praise the children for their impeccable behaviour and beautiful manners they displayed throughout the day!

A staff member on the day told us, 'It has been an absolute pleasure having such wonderfully behaved children visit us, they are a credit to your school.'
