Year 6	92.2%	88.6%	90.9%	88.1%	

Well Done Reception and Year 4! Expected attendance **YES!!!**

Attendance Matters

Easter Bonnet Parade

A huge thank you to all of the effort that parents and children have put into creating some amazing Easter bonnets!

It was so lovely getting to share these during our Easter bonnet parade with all of the parents who made the effort and set aside their own time to celebrate with us.

150th Celebration

Our LA governor Roisin, with the help of our new parent governors Helen & Gavin, will be organising a very special week-long celebration for when Leamore Primary School turns 150 later this year.

Would you like to help organise this momentous occasion?

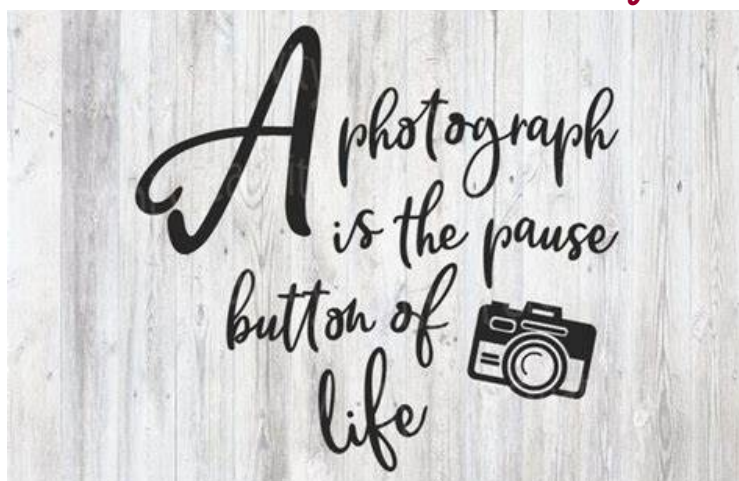

Did you come to Leamore Primary School?

Could you share a memory with us?

Did your Mom, Dad or Grandparents come to Leamore?

Do they have any old photos or memories they would love to share?

Please get in touch with the school office or any teacher via dojo.

Year 2 Parent Workshop

Thank you so much to everybody who came to Year 2's parent workshop on Wednesday after school. Investing in your child's learning and future really is one of the most important things that you can do. We really appreciate your continued willingness to support and help us get the best out of your child.

Year 2 Church Trip for Easter

Year 2 really enjoyed their trip to St John's Methodist Church this week. We took part in various activities that told the Easter story and we were able to share all of our knowledge from our learning in school. It was a great trip out and we have brought our learning back into the classroom by looking at some storyboards of the Easter story and linking it to each activity in the church.

SATS Booster - Thank you!

The Year Six team would like to say a massive thank you to the parents and children who have regularly attended SATs booster since January. The children who have done this have improved brilliantly over this time and I must say that turning up to the booster club has definitely had an effect. We understand that getting your child to do extra schooling can be a battle, but we really appreciate it. Thank you.
