Training Days - Monday 24th & Tuesday 25th July (one more date TBC)

Wellbeing and Mental Health of Children

In a recent well-being survey, the children shared that they would like a way to anonymously share when something is worrying or bothering them. Tootoot is a platform that allows your children to share their concerns about mental health worries or about any other issues they may be having at home or in school. Allowing us to get them the right help or support that is needed at the right time. So, if you hear your child talking about Tooting - don't be alarmed.

Parents of children that provide a packed Lunch

At Leamore we currently hold a bronze award as part of the 'Food for life' programme. We are eager to continue our work on healthy choices and would like your support with children coming to school with a healthy and balanced packed lunch.

Many of you already pack healthy, well balanced lunch boxes for your child, and we would really appreciate your ideas being passed on to others. We plan to hold a meeting to work with you to provide information on how to pack a healthy lunch. We will be working alongside Streetly School and your child will be expected to participate so please come along to support them. For every child that has an adult with them, they will receive a new lunchtime gift.

Please join us in the school hall on Wednesday 15th February 2023, at 9.00am to launch this new initiative.

Writing Workshop

Thank you to all the Reception parents that came to our writing workshop this week.

We hope you found it useful. The children loved working with you in school.

We hope you now have a clear understanding of how to support your child at home.

Year Two's trip to London - The Great Fire of London

Year Two has had an excellent trip all the way to London. We got to see the Tower of London and we learnt all about how this was protected from The Great Fire of London due to its high walls. We looked at a story of a little boy who was in the White Tower when the fire started and how he watched the flames getting closer and closer!

We also went to Pudding Lane to see where the fire started in Thomas Farriner's bakery. The children got to stand in the same place and soak up all the history around them. It was a brilliant day out, full of learning and fun!

Reading Workshop

Thank you to all the Nursery parents that came to our reading workshop last Friday.

Your children absolutely love it when you come into school, they see it as a chance to share all that they do.

We hope you enjoyed it and found it useful

**A FAMILY THAT READS
TOGETHER,
GROWS TOGETHER.**

Safer Internet Workshop

Thank you to everyone who came to our Safer Internet Workshop in Years 1 and 2. We had a great afternoon reading some stories all about staying safe on the internet and then getting creative with retelling each story.

The children loved getting to share their learning with you all and we hope you also loved it just as much!
