Attendance

It is important that your child attends school everyday that the school is open unless they are unwell or for unforeseen circumstances. Taking children out of schools for holidays will not be authorised and therefore could result in a fine. Please remember that taking a child out of school can have an impact on their learning for the time that they are off and they can miss key concepts to learning. Not only can it impact academically but it can also have an effect on their social skills and confidence too.

Welcome to the team!

Hi everyone, I'm Mrs Romail. I have over 14 years experience in health care and working with children and young adults with SEND and enjoy helping and supporting young children reach their full potential.

I have 2 children, one a previous pupil and one currently at Leamore primary school and have always wanted to join the Leamore team. In my personal time, I enjoy reading and being creative and enjoy spending days out with the family when the weather is nice.

Mayor's Parlour - Art Competition

At the end of February, Year 4 all took part in an art competition that was sent to us from the Walsall Rotary Group. They asked if we could create a piece of art to show our love for nature.

Out of over 120 applicants, 5 Children from our school were shortlisted.

After a long debate, one person from Year 4 stood out and won an overall 3rd Place position and got to meet the Mayor of Walsall during an awards ceremony.

We are incredibly proud of all of Year 4 for their amazing enthusiasm when completing this artwork and having fun.

Nursery Reading and Phonics Workshop

Thank you to all the Nursery parents that came to our reading and phonics workshop this week.
Your children absolutely love it when you come into school, they see it as a chance to share all that they do.
We hope you enjoyed it and found it useful.

A FAMILY THAT READS TOGETHER, GROWS TOGETHER.
